

VUELTA HIGHBACK CHAIR

DESIGN: Jaime Hayon

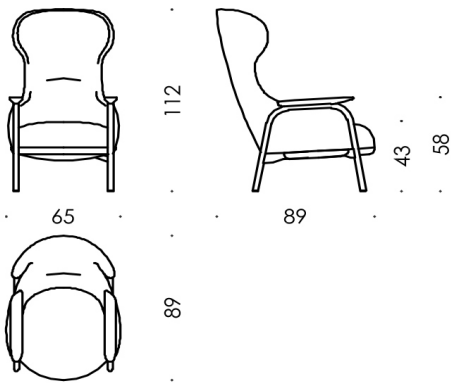

The wing chair is a tribute with a wink to the history of Austrian design. A gentle, soft flowing upholstery is framed by curved bentwood: a masterpiece of subtle design and relaxed seating: the highly-comfortable upholstery with pocket springs and the small stools provide hours of comfortable sitting.

Bentwood black beech with armrest in black oak, or walnut bentwood with armrest in walnut.

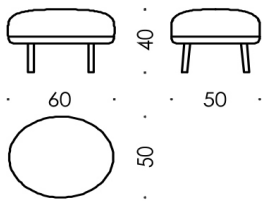

VUELTA Design: Jaime Hayon
